C F 74] Allegations against the auction sale of certain site to Mr. Gopala Rao etc at the Davanagere Town

Routine Notes 35-69, V4847

[To be used only for notes requisitions, etc, not intended for permanent record.]

The Letter no A6 1342/44-45 & 14/1/45 from the D.C, Chitaldroog District furnishing a report called for on the petn of Mr Maisty Annamalai containing allegations against the Presidents of Davanagere Municipal Council, in regard to the sale of certain site in the Hadade extension of Davanagere Town.

4) This is in reply to this office memo no L 5162 & 29-11-44 calling for a report on the petn of Mr Maisty Annamalai (reference to para 1 supra)

5) The allegations & safeguards are as noted below.—

1) First the petitioner owns a house built on site No 55 in the Hadade Extension of the Davanagere Town. By the side of this, lies the Municipal land, where a site measuring 21'+9'X44' was formed and which

flag "X"
paras 1+2 - petn

NB—Should routine notes be written on small slips the notes must be copied or slips pasted on this form

is contiguous to his house. It is in respect of the sale of this site that the allegations have cropped up. He prayed, for the grant of the site for an upset price, as it lies by the side of his house, stating that it was by itself too small for an independent house and would be more suitable for the extension of his house and he holds that, with a view to prevent him from getting the site, it was put to auction

paras 1+2 - petn

(b) Secondly, - Mr Gopala Rao, a Member of the Hl Cl, who is a well known man of the locality by his various public activities came to bed in the auction

para 3 - petn

(c) Thirdly - A larger extent of the land than orginally notified was sold. It is alleged that the change of demensions of the site was not known to him and, if the new demensions were published, that he would have himself purchased the land for a much higher price than Rs 1275/- for which it was sold or that some others would have so purchased, so much so, the Hl Cl could have benefited to a larger extent. This is opposed to law, equity & justice

paras 4-6 - petn

6) Further he prays for the grant of the site only to him

The Report of the Dy Commr says that the report of the President is self-explanatory and all the points raised in the objection petition as above and remarks that the allegations made are baseless and frivolous

P & D

7) It is made clear from the records

that the site, whose sale is under objection, lies by the side of the petitioner's house. flag 'x'
That he had the intention of purchasing the site for an upset price is also a fact, for he had submitted a petition dt 8/12/43 to the Pdt, HL-Cb praying for the grant of the site for an upset price as otherwise there would be room for dogs and donkeys to stand by the side of his house and to make the place unsanitary and indecent flag "x"

8) It is also seen from the records that this request was considered and discussed by the HL-Cb at more than one of their meetings and the question of the disposal of this land was resolved to be postponed to the time when the other sites in the locality would be sold in public auction. This shows that the HL-Cb was not willing to sell the site to the petitioner for an upset price and they were only prepared to sell it in public auction, perhaps, to derive better profit out of it. It cannot be unlawful for the HL-Cb to refuse to grant the petitioner, the site he requested, for a fixed price and therefore this allegation may perhaps be flag "x" & "z"

overlooked.

9) In regard to the allegation that the purchaser of the site in auction is a Member of the M-C there seems to be no law against any member of a M-C disallowing them to bid in the auction sale - Clause (1) of Proviso (e) of Section 12(B) of the Town Municipalities Act, which governs the qualifications and disqualifications for membership on the local bodies does not forbid a Municipal Councillor to have "any share or interest in any lease, sale or purchase of any immovable property or in any agreement for the same" flag "B" & P & D

10) As regards the price for which the site was sold, D C is of opinion that the price, as it works out at Rs 13-6-0 per sq yards, is quite reasonable and even though it be comparatively a little low, it is perhaps, no matter for consideration so long as the procedure governing the auction sale has been closely observed P & D

11) In the light of the fact many of the local people had a share in the exercise of the right of bidding in the auction, the plea of the petitioner which is to the effect that, owing to the participation of Mr Gopala Rao in the act of bidding prevented him taking part in it, cannot be upheld as having any weight If he did not choose to bid he was only allowed to go flag "7"

go his own way

12) The last complaint, that a larger extent of land than notified in the publication of sale was ~~sold~~ granted to Sri Gopala Rao and that the change of dimensions of the site proposed for sale was not published and known to him, cannot appeal to reason in view of the reported fact that the persons, present on the scene, and interested, in the sale of the site, urged for increasing the dimensions of the site to make it a sufficiently independent one suitable for the construction of a dwelling house. It is reported that only, accordingly, a change in the dimensions was announced and written in the auction or Varayapatte (from $\frac{21'+9'}{2} \times 44'$ to $\frac{25'+14'}{2} \times 44'$) If this announcement of the changed dimensions took place on the scene before the bidding commenced, as it is said, and long before the contract actually began, the parties and the witnesses set their hands to the agreement (Varayapatte) and site was knocked down to the purchaser, the last allegation also loses to have any weight

13) The foregoing facts are perhaps enough to show that the petitioner has no case and that the petition may be rejected as unfounded and frivolous. The resolution of the HBCL passed on 30.12.44, says that the allegations are "baseless and mischievous and an effusion of a disgruntled and disappointed person". The DC's report is in support of the HB-CL and, while recommending the cancellation of the appeal, as absolutely groundless and niggling, he further requests sanction to the sale of the 8 sites, as the amount fetched in respect of each of them exceeds Rs 1000/-

DAVANGERE

Respected Sir,

I own Site No 55 in the Hadadi Extension in Davangere Town and have constructed a house there By the side of this house, there was a triangular piece of land owned by the Davangere Municipality I thought this was too small for an independent site and that it would very well suit my purpose to extend my house With this end in view I was asking for this bit to be granted to me at an upset price (being a contiguous owner)

The president with a view to prevent me from getting it, ordered it to be put up for sale by public auction The Sale was fixed for 1-11-1944 as is proclaimed by its notification dated 22-9-1944 I have attached the same herewith for information I have underlined the site by red pencial just to invite your kind attention The dimensions of the site are $\frac{21' \times 9'}{2} \times 44'$

One Mr Gopal Rao, a member of the Municipality who has come to limelight by his various activities came to bid As the whole auction seemed to have got up for Mr Gopal Rao's sake I did not venture to bid The bid was knocked at Rs 1275/-

Now, I definitely learn that the President has graciously granted him $\frac{25' \times 14'}{2} \times 14'$ for the same amount This is opposed to law equity and justice. Having proclaimed one thing, the Municipality has clandestinely given more than actually sold If these dimensions were published, I myself would have purchased it even for a higher price or some others would have come forward to purchase perhaps for a higher price

It is most unfortunate that the President should go out of the way to help his colleague in the Council who seems to have helped him by his vote to become the President The trusteeship of the Municipal funds is very well executed by the executive This is to say the least defrauding the public

I, therefore, pray you Respected Sir, to cancel the sale after enquiring into these allegations and grant it to me

Subject Petition of Registry Annamalai containing allegations against the President of Davangere municipality in regard to sale of certain sites

---

Sir,

With reference to your memo No L 5160 dated the 20th November 1944 forwarding for report the petition of Registry Annamalai, containing certain allegations against the President of Davangere town municipality in regard to the sale of a site adjoining the petitioner's house in Indadi village tension, I have the honour to state that the petition was forwarded to the President for submission of a detailed report on all the points contained in the petition This detailed report, which is self explanatory, as to the resolution of the municipal council passed at its meeting held on the 20th December 1944 is enclosed for favour of kind perusal of Government

Flags "B" "D" + "E"

It is seen from the report of the President, that the allegations are baseless and unfounded The petitioner admits in his petition under reference that he was present at the time of sale and that he did not bid at the sale on account of some plea which he now puts forth

As regards the allegations that the site in question was sold to one Gonal Rao one of the municipal Councillor I write to invite your kind reference to clause(1) of Proviso (C) of Section 12(3) of the Town Municipalities Act, which does not debar a municipal Councillor from "having any share or interest in any lease, sale or purchase of any immovable property or in an agreement for the same if he is by him or his

Rs 13-6-0 per Sq yard and it is a very reasonable price

Under these circumstances, I am of opinion that there are not sufficient grounds to cancel the sale already held

The entire sale records are also herewith submitted for favour of kind perusal, with a request that sanction of Government may kindly be accorded to the sale of the 8 sites to the marginally noted persons, as the amount fetched in respect of each site exceeds Rs 1000/

The favour of early orders is solicited
